

REMARKS

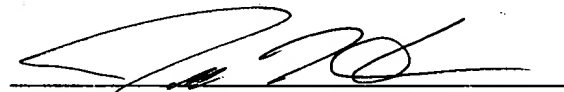

The Examiner entered an Examiner's Amendment in the Notice of Allowance mailed February 27, 2004, however, the Examiner's Amendment incorrectly included Application No. 08/904,804 in the Cross Reference to Related Applications. Applicants note that in the Office Action mailed April 24, 2002 the Examiner asserted that Applicants were entitled to priority back to Application No. 09/020,956. Accordingly, Applicants submit this amendment to correct the Cross Reference to Related Applications such that earliest priority is to Application No. 09/020,956, not Application No. 08/904,804.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and entry of this Amendment are earnestly solicited.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
